### **Custom Fabricated Seat Cushion (E2609):**

A custom fabricated seat cushion (E2609) is covered if criteria (1) and (3) are met. A custom fabricated back cushion (E2617) is covered if criteria (2) and (3) are met:

- Beneficiary meets all of the criteria for a prefabricated skin protection seat cushion or positioning seat cushion;
- 2. Beneficiary meets all of the criteria for a prefabricated positioning back cushion;
- 3. There is a comprehensive written evaluation by a licensed/certified medical professional, such as a physical therapist (PT) or occupational therapist (OT), which clearly explains why a prefabricated seating system is not sufficient to meet the beneficiary's seating and positioning needs. The PT or OT may have no financial relationship with the supplier.

If a custom fabricated cushion is provided for a beneficiary who does not meet the stated coverage criteria, it will be denied as not reasonable and necessary.
